**IN THE MATTER OF** the Ontario Energy Board Act, 1998, S.O. 1998, c. 15, Schedule B;

**AND IN THE MATTER OF** an application pursuant to section 74 of the Ontario Energy Board Act, 1998 by Rosa Flora Growers Limited to amend Schedule 1 of electricity generator licence EG-2003-0208.

**By delegation, before:** Jennifer Lea

### **DECISION AND ORDER**

Rosa Flora Growers Limited ("Rosa Flora") filed an application under section 74 of the *Ontario Energy Board Act, 1998*, for an order of the Board to amend its electricity generation licence EG-2003-0208 to reflect changes to the list of facilities on Schedule 1. The application was received by the Board on September 30, 2011. On November 2, 2011, the applicant filed additional information to support the changes proposed in the application.

The applicant has asked that the authority granted in the licence for the 1.6 MW co-generation facility currently listed in Schedule 1 of its licence be changed to operator only. An affiliated company will own the facility. Rosa Flora also seeks the authority to operate two additional facilities: a 0.6 MW Wind Turbine and 4.11MW natural gas co-generation facility, both located in Dunnville, Ontario.

There are no other changes requested to the licence. All other provisions remain the same.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

I find that the information provided in the application is sufficient to demonstrate that granting the requested amendment is in the public interest.

**IT IS ORDERED THAT:**

1. Schedule 1 of electricity generator licence EG-2003-0208 is amended to include the operator qualification for the Rosa Flora 2X2 MW Cogen facility located at 328 Comfort Road, Dunnville, Ontario and Rosa Flora Wind Turbine located at 716 Diltz Road, Dunnville, Ontario.
2. Schedule 1 of electricity generation licence EG-2003-0208 is amended to provide authority to operate, rather than own, Rosa Flora 1.6 MW Cogeneration facility located at 756 Diltz Road, Dunnville, Ontario.

The amended licence is attached to this Order.
