Dear Mr. Cobb:

Re: Electricity Retailer Licence Renewal  
Green Breeze Energy Systems Inc. - ER-2007-0608

Your Electricity Retailer Licence ER-2007-0608 is due to expire on July 17, 2012.

If Green Breeze Energy Systems Inc. wishes to continue to participate in the Ontario Electricity market, you are invited to file an application to renew Green Breeze Energy Systems Inc.'s Electricity Retailer Licence. As you are aware, Green Breeze Energy Systems Inc. is not permitted to carry out activities described in section 57 of the *Ontario Energy Board Act, 1998* (the "Act") without a licence.

The standard time required to issue a licence is 90 days from receipt of a complete application. To assist the Board to renew Green Breeze Energy Systems Inc.'s licence in a timely manner prior to the expiry date, you are required to submit your application to the Board within 30 days of this e-mail. A licence application form is available on our website at the following address: <http://www.ontarioenergyboard.ca/OEB/Industry/Licences/Apply+for+a+Licence>

On receipt of the application, the Board will proceed to review the application for renewal in accordance with Part V of the Act. If we do not receive the application by the required date, the Board will be prepared to remove the name from the licensee records once the current licence is expired.

If you have any questions regarding this process, you may contact Spencer Hall, Analyst, Licence Applications at 416-440-7667 or by e-mail at [Spencer.Hall@ontarioenergyboard.ca](mailto:Spencer.Hall@ontarioenergyboard.ca).
