DECISION AND ORDER

Energhx Green Energy Corporation , doing business as Energhx Consulting ("Energhx") filed an application with the Ontario Energy Board, received on June 8, 2010, under section 60 of the *Ontario Energy Board Act, 1998* ("The Act"), S.O. 1998, c. 15, Schedule B to renew its electricity retailer licence. Energhx also filed an application under section 50 of the Act to renew its gas marketer licence. The Board has assigned the applications file numbers EB-2010-0236 and EB-2010-0237, respectively.

The licences that are the subject of the renewal applications were issued to the applicant on October 22, 2009 and remained in force until October 21, 2010. The Board extended the term of the licences until December 31, 2010. The extended licenses may expire prior to final determination of the renewal applications.

I find that it is in the public interest to make an order granting another extension of the term of licence ER-2009-0189 and the term of licence GM-2009-0188 until such time as

the renewal application is determined or January 31, 2011, whichever is earlier. The applicant is reminded that this decision does not constitute a final decision on the applications.

THE BOARD ORDERS THAT:

1. The term of the electricity retailer licence ER-2009-0189 is extended until the final determination of the renewal application or January 31, 2011 whichever is earlier.
2. The term of the gas marketer licence GM-2009-0188 is extended until the final determination of the renewal application or January 31, 2011 whichever is earlier.
