Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc. Third Generation Incentive  
Mechanism Rate Application, EB-2011-0100**

Enersource Hydro Mississauga Inc. ("Enersource") is in receipt of Board staff's submission in the above-captioned proceeding. This document was received via email attachment from Maureen Connor at 5:32 pm on Friday February 10, 2012, the due date for such comments.

Enersource is also in receipt of VECC's submission, which was received via email attachment from Shelley Grice at 6:42 pm on Friday evening, February 10, 2012.

The late receipt of submissions, received after 4:45 pm, from these parties, combined with the due date for Enersource's final submission of Monday February 20, 2012, which happens to be a holiday in Ontario (Family Day) results in Enersource respectfully requesting an extension to Wednesday February 22, 2012 for the filing of its final submission.

Respectively submitted,
