Re: OEB # EB-2012-0006

Dear Board,

I require an extension of time to file a written reply to Enwin's written submissions made pursuant to the Procedural Order No. 1, January 24, 2012.

I ask that I be given until Thursday, February 16, 2012 at 10:00 a.m. to file my written reply.

I require an extension because there was an error in my scheduling which I did not realize until now.

I do not believe that this short extension will prejudice Enwin.

I apologize for my error.

Sincerely,

R. J. Potomski
