Attention: Kirsten Walli, Board Secretary

Dear Madam:

Re: Board File No. EB-2011-0394 – McLean’s Mountain Wind LP Application for Leave to Construct

Further to the Board's issuance of Procedural Order No. 2, please be advised that:

- (i) with respect to McLean's request for confidential status for the document entitled “Table of Lands required for Transmission Facilities”, we have no objection; and
- (ii) CPR does not at this time intend to seek an award for costs.

We thank the Board for recognizing CP Rail as an intervenor in these proceedings and look forward to further participating in the hearing event.

Yours truly,
