1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF applications pursuant to
section 74 of the *Ontario Energy Board Act*, 1998 by

Transmission Inc. to amend electricity distribution
licence ED-2002-0563 and electricity transmission
licence ET-2010-0351, respectively.

By delegation, before: David Richmond

DECISION AND ORDER

By letters dated January 31, 2012 and February 2, 2012 Chatham-Kent Hydro Inc. and Chatham-Kent Transmission Inc. filed separate applications with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 (the "Act") to amend electricity distribution licence ED-2002-0563 and electricity transmission licence ET-2010-0351, respectively. The Board assigned the applications file numbers EB-2012-0040 and EB-2012-049, respectively. Due to the similar nature of the applications I have combined the applications into one proceeding pursuant to section 21(5) of the Act.

Effective March 1, 2012 the companies plan to change their names from Chatham-Kent Hydro Inc. to Entegrus Powerlines Inc. and from Chatham-Kent Transmission Inc. to Entegrus Transmission Inc. to reflect a rebranding into a more regionally-focused name that is not tied to specific geography or location. The applicants have informed the Board that they are in the process of notifying their customers and other stakeholders of the name changes. The applicants have stated there are no other changes to the companies. All other corporate information remains the same.

I have proceeded to decide the applications without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicants have consented to disposing of the applications without a hearing.

I find that it is in the public interest to grant the requested amendment to the licences.

IT IS THEREFORE ORDERED THAT:

1. The name on electricity distribution licence ED-2002-0563 is amended to be Entegrus Powerlines Inc. The amended licence is attached to this Order.
2. The name on electricity transmission licence ET-2010-0351 is amended to be Entegrus Transmission Inc. The amended licence is attached to this Order.

DATED at Toronto, February 24, 2012
