

EB-2012-0078

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by First
Solar Development (Canada) Inc. pursuant to section
74 of the *Ontario Energy Board Act*, 1998 to amend
standard offer program electricity generation licence
EG-2006-0336.

By delegation, before: Jennifer Lea

DECISION AND ORDER

First Solar Development (Canada) Inc. ("First Solar") filed an application on February 27, 2012 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend its electricity generation licence EG-2006-0336. The Board assigned the application file number EB-2012-0078.

The requested amendment is the removal from Schedule 1 of the licence of the following generation facilities:

- St. Clair Solar 1 and St. Clair Solar 2 located in Mooretown, Ontario; and
- St. Clair Solar 3 and St. Clair Solar 4 located in Sombra, Ontario.

The amendment would recognize the purchase of the generation facilities by Moore Solar, Inc. and Sombra Solar, Inc., electricity generators licensed by the Board.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested licence amendment.

IT IS THEREFORE ORDERED THAT:

Schedule 1 of First Solar Development (Canada), Inc.'s Electricity Generation Licence EG-2006-0336 is amended to remove the St. Clair Solar 1, St. Clair Solar 2, St. Clair Solar 3 and St. Clair Solar 4 generation facilities from Schedule 1. The amended licence is attached to this Order.

DATED at Toronto, February 28, 2012

ONTARIO ENERGY BOARD
