**Re: Union Gas Limited
Procedural Order No. 3
2013 Rates Application
Board File No. EB-2011-0210**

Dear Mr. Ripley:

The Board notes that it had some technical problems which resulted in the Board not receiving letters filed by some intervenor groups regarding the Board's request for comments on the procedural dates in the EB-2011-0210 proceeding.

The Board issued its Procedural Order No. 3 on March 5, 2012 which did not include a full list of parties that commented. The attached corrected Procedural Order No. 3 includes an updated list of parties who commented on the noted issue.

The Board has decided to maintain the dates for the procedural matters that were previously included in the original Procedural Order No. 3.

Yours truly,

Kirsten Walli
Board Secretary
