from March 20, 2012 to March 30, 2012.**

Ms. Walli

On March 6, 2012, HHI acknowledge that our Reply Submission is due on March 20, 2012.

HHI cannot meet March 20, 2012 deadline. Do to the March break, internally a lack of resources is the cause. Furthermore our external consultant will also be short on resources due to March break activities.

HHI would seeks Board approval to extend the Reply Submission due date to March 30, 2012.

HHI appreciate the Board Staff, SEC and VECC understanding in this matter.
