Enbridge Comments on SEC Cost Claim**

---

In accordance with the Ontario Energy Board's Decision issued on February 9, 2012 for the above noted proceeding, on March 8, 2012, Enbridge filed a letter with the Board indicating it had no objections to the cost claims received from Building Owners and Managers Association of Greater Toronto ("BOMA"), Consumers Council of Canada ("CCC"), Canadian Manufacturers and Exporters ("CME"), Energy Probe, Green Energy Coalition ("GEC"), Industrial Gas Users Association ("IGUA"), Low Income Energy Network ("LIEN"), Pollution Probe and Vulnerable Energy Consumers Coalition ("VECC").

On March 9, 2012, Enbridge received a cost claim from the School Energy Coalition ("SEC"). Enbridge has reviewed the claim and found it to be within the allowances of prescribed rates within the cost assessment guidelines and has no objection to the claim.

The Company awaits the cost awards of the Board with respect to these cost claims.

Please contact the undersigned if you have any questions.

Yours truly,
