Re file number EB-2011-0354

Thank you for the notification today in the Toronto Star newspaper.  
I cannot agree or accept that Enbridge needs to increase their rates by 3.2% for residential spaces.  
Salaries have not gone up that much. Senior's incomes have not gone up.  
These increases seem to be subsidizing large pay increases or pay outs for the top executives.  
Please accept this as my vote and input to no more increases to residential Enbridge costs to consumers.  
Yours truly
