Dear Mr. Thompson:

**Re: Ontario Power Generation Inc. - Payment Amounts for Prescribed Facilities
Board File No. EB-2007-0905 - Notice of Intervention**

The Board confirms the Canadian Manufacturers & Exporters ('CME') as an intervenor in the above noted proceeding, subject to Ontario Power Generation Inc.'s right of reply to your request within 10 days of the mailing of this letter.

The Board notes that CME has stated it will not be seeking any changes to any of the deadline dates specified in paragraphs 5 to 11 of Procedural Order No. 1. The Board grants this late intervention based on CME acceptance of the record of the proceeding to date, including and specifically the issues list.

The Board will determine if the CME is eligible to apply for an award of costs under its Practice Direction on Cost Awards, once the Board has received and considered Ontario Power Generation's reply.

The Practice Direction and related forms are available on the Board's Web site at www.oeb.gov.on.ca.

Yours truly,
