Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc. Application for Distribution Rates  
Effective May 1, 2012  
Board File EB-2011-0100  
Supplemental Filing**

Please find enclosed a Supplemental Filing in support of the final submission ("Final Submission") of Enersource Hydro Mississauga Inc. ("Enersource"), in regards to the above-captioned proceeding.

In paragraph 54 of Enersource's Final Submission, Enersource agreed that the 2001 bad debt expense should be moved to TAXREC3 in the SIMPL model. Accordingly, please find attached the revised 2001 SIMPL model with the change of moving \$627,402 from TAXREC2 to TAXREC3. This decreases the total true-up for 2001 from \$547,267 to \$126,026, which is a change of \$421,241.

Also attached is the revised 1562 continuity schedule that reflects the above revision. The adjustment of \$421,241 plus interest of \$173,688 results in an increase in the total liability from the previously filed \$1,093,604 to \$1,688,533.

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

*(Original signed by)*
