Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: Notice of Review of the Electricity Reporting and Record Keeping Requirements and Amendments to the Electricity Reporting and Record Keeping Requirements (RRR) Board File No.: EB-2012-0062 Nomination for Participation in Group Discussions

Further to the Board's March 7, 2012 letter, Waterloo North Hydro Inc. (WNH) is expressing its interest in participating in the Board's Group Discussions in the Review of the RRR Requirements.

WNH believes that participating in the review of the RRR, with a view to streamlining the requirements, is an essential piece of the regulatory framework and submits that it has the experience and ability to assist in this matter. WNH would be represented by Chris Amos, a Chartered Accountant, who has experience in all aspects of the RRR reporting and process, combines both financial and regulatory expertise and has been directly involved in Regulatory matters for a number of years. Ms. Amos has also participated in several OEB Working Groups, including 3 Cost Allocation Working Groups, the IFRS Working Group, and the 3rd Generation IRM Working Group and has done a significant amount of testing of OEB rate models. WNH submits the combination of this financial and regulatory experience would provide relevant and beneficial input to the Discussion Group.

WNH is not seeking Cost Awards.

If there are any questions, please do not hesitate to contact Chris Amos at 519-888-5541 or camos@wnhydro.com or myself at 519-888-5542 or asingh@wnhydro.com.

Yours truly,
