RE: EB-2012-0053 – Union Gas Limited –New Measures for the 2011 Program Year

Dear Ms. Walli:

On February 8, 2012, Union requested the approval of the Board of four New DSM measures for its 2011 program year.

Union followed the Board's process established in EB-2006-0021 and achieved consensus from the 2011 EAC for the new measures and associated input assumptions.

On February 29, 2012, the Board issued its Notice of Hearing and Procedural Order No. 1 ("PO#1"). Under PO#1, parties were to submit comments on Union's application by March 14, 2012. Union has not received any comments from any party regarding this application.

Accordingly, Union requests the approval of its application as filed.

If you have any questions, please contact me at 519-436-4521.

Sincerely,
