Dear Mr. Thompson:

**Re: Hydro One Networks Inc. ("Hydro One")
Notice of Intervention of Canadian Manufacturers & Exporters ("CME")
Board File No EB-2007-0681**

This is to acknowledge receipt of your request for late intervention dated March 13, 2008 in the above matter. In your letter you also requested permission to pose written interrogatories on Hydro One's prefiled evidence and eligibility for cost awards.

The Board accepts you as a late intervenor, subject to Hydro One Networks Inc.'s right of reply to your request within 10 days of the mailing of this letter. With respect to your request to pose interrogatories on the prefiled evidence, the Board notes that the date for filing of interrogatories as per Procedural Order No. 2, dated February 22, 2008, was March 14, 2008. The Board therefore denies your request and notes that your status as an intervenor is conditioned on your acceptance of the record in this case as it stands on today's date.

With respect to your request for cost eligibility, the Board has determined that CME is eligible to apply for an award of costs under the Board's Practice Direction on Cost Awards.

The Practice Direction and related forms are available on the Board's website at www.oeb.gov.on.ca

Yours truly,
