Dear Ms. Walli:

**RE: EB-2011-0327 – 2012 – 2014 DSM Plan  
Union Gas Limited – Submission on Cost Claims**

On February 21, 2012, the Ontario Energy Board (the “Board”) issued its the Decision and Order on the DSM Settlement Agreement. The Decision requested intervenors eligible for an award of costs to file cost submissions in accordance with the Practice Direction on Cost Awards with the Board Secretary and with Union within 15 days of the date of the Decision and Order. Union was provided the opportunity to make submissions regarding the costs claims within 30 days of the date of the Decision and Order.

Union has reviewed the cost claims. Union notes the Builder Owners and Managers Association, Toronto (“BOMA”) cost submission for printing and photocopying is high (approximately \$1,100 before HST) compared to other intervenors which range from \$0 to \$400. Union has no further comments.
