Dear Mr. Gillenwater:

**Re: Okikendawt Hydro L.P.
Notice of Proposal under Section 81 of the *Ontario Energy Board Act, 1998*
Board File No. EB-2011-0366**

On March 20, 2012, the Board received your request for a written confirmation of the Board's verbal no review of Okikendawt Hydro L.P.'s notice under section 81 of the *Ontario Energy Board Act, 1998* of its proposal to construct and own a 44 kV distribution line that will be connecting to the Hydro One Networks Inc.'s ("HONI") local network.

The Board understands that the proposed distribution asset will be constructed and used solely for the purpose of conveying electricity produced by the Okikendawt Hydroelectric Project up to the HONI network and for no other purpose.

As verbally indicated to you on January 16, 2012, this letter confirms that the Board will not issue a notice of review of the proposal.

Yours truly,
