Dear Ms. Morin:

**Re: Chapleau Public Utilities Corporation  
Application for Rates  
Application Board File Number EB-2011-0322**

This will acknowledge receipt on March 16, 2012 of the addendum to your cost of service application EB-2011-0322.

On January 30, 2012 the Board was in receipt of your 2012 Cost of Service Application. However, your application did not include a proposal for the disposition of Account 1521 (Special Purpose Charge Variance Account), and Account 1562 (Deferred PILS), and the Board therefore considered your application incomplete. The Board now considers the application to be complete, and it will begin processing the application.

Please direct any questions relating to this application to Christie Clark, Project Advisor at +1 (416) 440-7683 or [Christie.Clark@ontarioenergyboard.ca](mailto:Christie.Clark@ontarioenergyboard.ca).

Yours truly,
