RATE ORDER

On October 29, 2007, Canadian Niagara Power Inc. – Fort Erie (“CNPI – Fort Erie”) filed an application with the Ontario Energy Board, (the “Board”) under section 78 of the Ontario Energy Board Act, 1998; S.O. 1998, c.15 Schedule B, for an order or orders approving or fixing just and reasonable rates for the distribution of electricity effective May 1, 2008. The Board assigned file number EB-2007-0839 to the application.

On March 19, 2008, the Board issued its Decision (the “Decision”) in the matter of CNPI – Fort Erie’s application.

The Board directed CNPI – Fort Erie to file with the Board a Draft Rate Order attaching a proposed Tariff of Rates and Charges reflecting the Board’s Decision, within 7 days of the date of the Decision.

In accordance with the Board’s direction, CNPI – Fort Erie has provided the Board with a Draft Rate Order and Tariff of Rates and Charges.

In the Decision the Board directed CNPI – Fort Erie to limit the rate increase, if required, to the Street Lighting class to 10% and to include the foregone revenue, if any, in a deferral account. The resultant tariff of rates from the Board’s 2008 IRM decision model for CNPI – Fort Erie does not yield a rate increase in excess of 10%, thus mitigation is not required.

The Board is satisfied that the Draft Rate Order and Tariff of Rates and Charges accurately reflects the Decision.

THE BOARD ORDERS THAT:

1. The Tariff of Rates and Charges set out in Appendix A of this Rate Order is approved, effective May 1, 2008, for electricity consumed or estimated to have been consumed on and after May 1, 2008.
2. The Tariff of Rates and Charges set out in Appendix A of this Order supersedes all previous distribution rate schedules approved by the Ontario Energy Board for CNPI – Fort Erie, and is final in all respects.
3. CNPI – Fort Erie shall notify its customers of the rate changes no later than with the first bill reflecting the new rates.

DATED at Toronto, <DATE>.

ONTARIO ENERGY BOARD

Kirsten Walli
Board Secretary
