Dear Ms. Walli:

**Re: Union Gas Limited - TCPL request for adjournment  
EB-2011-0210**

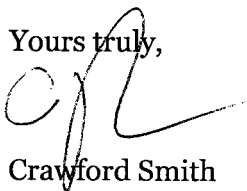

We are counsel to Union Gas Limited ("Union") in the above-noted matter. We are writing in response to counsel for TCPL's letter dated April 4, 2012.

In its letter, TCPL asked for an adjournment of the oral hearing of this matter. The stated reason for this request is TCPL's own application with the National Energy Board. TCPL's request should be denied. Union is an intervenor in RH-003-2011 just as TCPL is an intervenor in EB-2011-0210. Both companies will have to manage their resources to accommodate these two regulatory filings. There is no reason to move this hearing to accommodate TCPL.

TCPL also asks that the due date for intervenor evidence be moved to May 16, 2012. Union does not object to this scheduling change provided, however, that the technical conference proceeds as scheduled on May 31, 2012.

Should you have any questions or concerns regarding the attached please do not hesitate to contact me.

Yours truly,

Crawford Smith
