### **CORRECTED RATE ORDER**

Orangeville Hydro Limited ("Orangeville"), a licensed distributor of electricity, filed an application with the Ontario Energy Board (the "Board") on October 14, 2011, under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Orangeville charges for electricity distribution, to be effective May 1, 2012 (the "Application"). The Board assigned file number EB-2011-0190 to the Application.

On March 22, 2012 the Board issued its Decision and Order (the "Decision") in the matter of the Application and attached a draft Tariff of Rates and Charges in Appendix A of that Decision. The Board ordered Orangeville to review the draft Tariff of Rates and Charges and file with the Board a written confirmation assessing the completeness and accuracy of the draft Tariff of Rates and Charges, or provide a detailed explanation of any inaccuracies or missing information within 7 days of the date of issuance of the Decision.

On April 5, 2012 Orangeville filed a letter identifying certain administrative errors in the draft Tariff of Rates and Charges. Orangeville requested the Board to consider revising the Tariff of Rates and Charges accordingly.

Notwithstanding the fact that Orangeville filed its response after the deadline established by the Board, the Board has reviewed the information provided by Orangeville and is of the view that the corrections proposed by Orangeville are appropriate. Given the typographical nature of the errors the Board will amend Orangeville's Tariff of Rates and Charges, in accordance with s.43.02 of the Board's *Rules of Practice and Procedure*.

The Board is satisfied that the corrections requested by Orangeville accurately reflect the Board's Decision on this Application. Accordingly, the Board approves the requested corrections to the Tariff of Rates and Charges. The Board expects that going forward Orangeville will closely monitor its regulatory obligations.

**THE BOARD ORDERS THAT:**

1. The revised Tariff of Rates and Charges set out in Appendix A of this corrected Rate Order will become final effective May 1, 2012, and will apply to electricity consumed or estimated to have been consumed on and after May 1, 2012. Orangeville shall notify its customers of the rate changes no later than with the first bill reflecting the new rates.
