**Re: Entegrus – Response to Letter from Middlesex Hospital Alliance  
Board File No.: EB-2010-0275**

Dear Ms. Walli,

Entegrus was copied on the letter filed of March 20, 2012 by Middlesex Hospital Alliance on March 20, 2012 in reference to the disposition of the Group 1 Deferral and Variance accounts in EB-2010-0275. At the time of the EB-2010-0275 Decision and Order, Entegrus was operating in Newbury as Middlesex Power Distribution Corporation – Newbury.

Entegrus met with Middlesex Hospital Alliance on March 8, 2012, to discuss the impact of this disposition, and was appreciative of the hospitality and professional courtesy extended by Mr. Paul Long and his team. Entegrus subsequently conducted a follow-up visit to the hospital on March 20, 2012, to provide an update on the latest conservation opportunities.

Entegrus is pleased to provide any further information required by the Ontario Energy Board or Middlesex Hospital Alliance to assist in resolution of this matter.

Please feel free to contact me to discuss.

Sincerely,
