Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700

Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")
Pollution Probe Motion (the "Motion")
Renewable Natural Gas Program Application
Ontario Energy Board (the "Board") File Numbers EB-2011-0242 / EB-2011-0283**

On March 26, 2012, Pollution Probe filed a Motion for an order of the Board that the Applicants provide a full and adequate response to Pollution Probe's interrogatory, particularly on the "free rider" issue. Enbridge has reviewed Union Gas Limited's April 5, 2012 responding argument to the Motion. Enbridge supports the position of Union Gas that an appropriate response to the interrogatory from Pollution Probe has been provided and Enbridge has no further submissions in this regard.

If you have any questions, please contact the undersigned.

Sincerely,

[Original Signed By]
