Dear Mr. Kappos:

**Re: Enbridge Gas Distribution Inc.  
Application for Licences to Drill Four Wells with the Kimball-Colinville  
Designated Natural Gas Storage Area - Board File Number EB-2012-0060  
Notice of Intervention of the Ministry of Natural Resources**

The Board received a request for intervention status from the Ministry of Natural Resources (the "MNR") on March 28, 2012. MNR did not seek cost awards and took no position on the Board's decision to proceed with a written hearing in this matter.

The Board confirms the MNR as a registered intervenor in the above proceeding, subject to Enbridge Gas Distribution Inc. right to object within 14 calendar days from the issuance of this letter.

Yours truly,
