Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: Midland Power Utility Corporation – 2012 IRM3 Rate Application  
Licence #ED 2002-0541; Board File No. EB-2011-0182

Midland PUC is in receipt of VECC's counsel, Mr. Buonaguro's letter dated April 18, 2012 in regard to the residential rate rider pertaining to the LRAM claim. The rate calculation provided for a rate of \$.00005/kWh, however, when this rider was input into the rate model, the rider was rounded up to \$.0001.

Midland PUC would advise the billing software provides for a 5 decimal point calculation and accordingly, would request the Board to record the rate rider as \$0.00005/kWh for the residential class over one year.

Yours very truly,

**MIDLAND POWER UTILITY CORPORATION**
