Dear Ms. Walli:

**Re: EB-2007-0920 – Hydro One Networks Inc., (“Hydro One”) Bruce to Milton

I am writing to you on behalf of Hydro One and in respect of its application for entry onto land for preliminary surveys, testing and appraisal work relating to the proposed Bruce to Milton Transmission Reinforcement Project (the “Access to Land Application”).

Hydro One understands that, as of the Board’s deadline of March 18, 2008, pursuant to Procedural Order 2, no written submissions respecting the Application have been filed. Hydro One therefore submits that the Application should be approved, as filed, and on an expedited basis.

Yours very truly,

Gordon M. Nettleton
