BACKGROUND

Superior Energy Management Gas LP (“Superior Energy”) filed an application dated January 30, 2012 with the Ontario Energy Board for renewal of gas marketer licence GM-2007-0084 expiring on September 16, 2012.

The Board issued a Notice of Application and Hearing (the “Notice”) on March 6, 2012. Board staff filed interrogatories on March 27, 2012. No one else responded to the Notice. Superior Energy responded to Board staff interrogatories on April 10, 2012.

This submission is being provided by Board staff following a review of the application and evidence filed in this proceeding.

STAFF SUBMISSION

Board staff filed interrogatories to obtain information that is in addition to Superior Energy’s pre-filed evidence to the Board. The interrogatories related to Superior Energy’s financial statements, personal experience in the energy sector for key individuals, and compliance.

Having reviewed the application and evidence, Board staff submits that it has no issue with Superior Energy’s request for renewal of its gas marketer licence and Board staff does not propose any new conditions being placed on the licence.

All of which is respectfully submitted.
