Dear Ms. Walli:

**RE: COLLUS Power Corp – IRM3 2012 electricity distribution rate application**  
**Board File No: EB-2011-0161**  
**Response to Decision & Order dated April 19, 2012**

COLLUS Power Corp (“COLLUS”) is providing with this letter confirmation of receipt of the Board’s Decision and Order in this matter. The Board requires an assessment of the draft Tariff of Rates and Charges provided with the decision.

During review of the model, obtained from the Board’s webdrawer site, it is noted that the tariff sheet of the model incorrectly indicates the Rural Rate Assistance as being \$0.0013 and not the May 1, 2012 rate of \$0.0011. The printed copy tariff sheet that was provided with our Decision & Order is showing the proper rate though.

It does appear that the model has been updated appropriately for the required adjustments that the Decision & Order required.

At this time these are the items that have been noted. We will await word from Board staff on how to proceed and will take the required steps to meet all requirements.

Thank you,

***T Fryer***
