Dear Mr. Dimmel:

**Re: Essex Powerlines Corporation  
Final Rate Order  
Board File Number EB-2011-0166**

The Board has today issued a corrected version of this Final Rate Order which is attached.

The corrections were made to the Tariff of Rates and Charges in Appendix A to the Final Rate Order. The rates for the Retail Transmission Rate – Line and Transformation Connection Service Rate and the Retail Transmission Rate – Network Service Rate – Interval Metered Rate were inadvertently transposed. These have been corrected to \$1.7517/kW and \$3.0491/kW respectively.

Given the typographical nature of the error the Board has corrected Essex's Tariff of Rates and Charges, in accordance with s.43.02 of the *Board's Rules of Practice and Procedure*.

Yours truly,

*Original Signed By*

John Pickernell  
Assistant Board Secretary
