Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Board Staff Submission on Midland Power Utility Corporation's
Smart Meter Cost Recovery Application Draft Rate Order
EB-2011-0434**

On Friday May 4, 2012, Midland Power Utility Corporation ('Midland') filed its Draft Rate Order as Directed by the Board in its Decision on Midland's smart meter stand alone cost recovery application EB-2011-0434. By way of submission, Board staff has two comments on the Draft Tariff of Rates and Charges submitted by Midland as part of the Draft Rate Order.

Board staff would like to point out that:

1. The residential LRAM rider should be \$0.00005 per kWh, and
2. For all classes the Rural and Remote Rate Protection Plan should be \$0.0011 per kWh.

Yours truly,
