payment I wish to file a written submission to have the PUC Distribution Inc. submission for a monthly fee of \$3.42
to pay for the smart meters. Can I file this submission through an email letter? I didn't want the smart meter as I use
less than 600kwh per month. So I shouldn't have to pay for it. I wrote a letter to the government when smart meters
were first being discussed saying that they should charge more for the energy being used by people using air
conditioners. Please let me know if I can file via email or if it must be by written letter. thanks Maurice Charette
