**RE: Board Staff, VECC SEC Interrogatories
2012 Electricity Distribution Rates
Rideau St Lawrence Distribution Inc.
Board File No. EB-2011-0274**

Dear Ms. Walli:

Rideau St Lawrence Distribution Inc. (RSL), requested an extension until May 11, 2012, to file complete responses to Board Staff, School Energy Coalition, and Vulnerable Energy Consumers Coalition interrogatories.

Assistant Board Secretary's letter of May 3, 2012, confirmed the Boards granting of the extension until May 11, 2012.

On May 11, 2012 RSL filed responses to Board Staff, School Energy Coalition, and Vulnerable Energy Consumers Coalition interrogatories.

Due to an oversight, the file for the DVAD rate rider, incorporating the 2010 balances in account 1508, Sub-account IFRS Transition costs, did not include that balance.

The attached file has been linked to the EDVAR / DVAD Continuity Schedule, and has correctly included the balance of \$22,753 that was requested by Board Staff IR 29. The file has been provided in pdf and in Excel 2003 format.

Should you require any further information on this matter, please do not hesitate to contact the undersigned.

Sincerely
