**Re: EB-2011-0242 and EB-2011-0283 Renewable Natural Gas Program - FRPO
Submissions**

In accordance with Procedural Order No. 7 dated May 8, 2012, please find attached the written submissions of the Federation of Rental-housing Providers of Ontario.

We have taken this opportunity to ensure that the Board has our submissions in this proceeding. The revised date for Oral submissions created a potential conflict for a medical procedure to which I must attend and there would be no certainty of this conflict until after this deadline for submission. Therefore, we are providing our submissions in written form today.

In the event that there is no conflict on May 22, 2012 and, in respect of the Board's stated desire for oral submissions to allow questions, we would attend to answer questions as the Board desires.

Thank you for your accommodation of written submissions.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
