BY EMAIL & COURIER

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge St, Suite 2701
Toronto ON M4P 1E4

Dear Ms. Walli:

**Board File No. EB-2011-0354 --- Enbridge Gas Distribution Inc.
2011 Actual Data --- Energy Probe Submissions**

Pursuant to Procedural Order No. 2, issued by the Board on May 16, 2012, the following are the Submissions of Energy Probe Research Foundation (Energy Probe) in respect of the Issue of the 2011 actual data in the EB-2011-0354 proceeding for consideration by the Board.

Energy Probe supports the filing of the updated evidence as proposed by EGD in Mr. Stevens letter to the Board of May 23, 2012. However, since the Settlement Conference in EB-2010-0210 (Union 2013 COS) is scheduled to commence on June 6 and continue for some 2 weeks, Energy Probe requests that Enbridge make every effort to provide parties with all updates except cost allocation and rate design prior to June 4 and to include the delivery of hard copy to those parties that asked for it. Further, Energy Probe requests that Enbridge use an interrogatory numbering scheme the same as that being used by Union Gas in EB-2010-0210 to reduce confusion.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
