Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc.
EB-2011-0100
Response to Cost Claim by VECC**

We are in receipt of the Cost Claim dated May 24, 2012 as filed by the Vulnerable Energy Consumers Coalition in the above-referenced proceeding.

Enersource advises the Board that it finds VECC's Cost Claim of \$878.29 to be reasonable. Enersource also notes that VECC's Cost Claim was submitted beyond the required date, as per the Board's Decision and Order, but that VECC slightly reduced its Cost Claim relative to its actual Econalysis invoice, possibly to reflect its late submission.

Sincerely,
