Dear Ms. Walli:

**Re: Notice of Application by the Smart Metering Entity for Approval of a

OEB File No. EB-2012-0100 and EB-2012-0211**

Pursuant to the Board's Notice of Application and Notice of Proceeding dated May 18, 2012, please accept this letter as Toronto Hydro-Electric System Limited's ("THESL") request for Intervenor Status in the above noted proceedings for Independent Electricity System Operator relating to its capacity as the Smart Metering Entity.

As an OEB-regulated utility, THESL and its customers, may be affected by the Board's Decision in these proceedings. THESL intends to actively participate in these proceedings and will cooperate, to the extent possible, with other utilities to avoid duplicative submissions. THESL does not intend to seek cost awards.

Please direct any questions or comments to my attention.
