Dear Ms Walli:

**Re: EB-2011-0354: Enbridge Gas Distribution application re. 2013 rates
Reply submissions re. availability and filing of 2011 actual data**

We represent Enbridge Gas Distribution Inc. ("Enbridge" or the "Company").

In response to Procedural Order No. 2, we filed a letter on May 23, 2012 setting out Enbridge's proposal for filing 2011 actual operating and financial data ("2011 actual data") in this proceeding. Since that time, Enbridge has filed some of the 2011 actual data by way of evidence update on May 25, 2012.

The only party to file submissions in response to our letter was Energy Probe, whose May 24, 2012 letter indicates support for Enbridge's proposal. Enbridge notes Energy Probe's request for all updates related to 2011 actual data (other than cost allocation and rate design) to be provided before June 4, 2012. The Company will make every effort to meet that timing. Hard copies of updated evidence will be provided as requested.

Should you have any questions, please do not hesitate to contact me.

Yours very truly,

AIRD & BERLIS LLP

David Stevens
