Attention: Ms. Kirsten Walli
Board Secretary

Dear Ms. Walli:

Subject: Union Gas Limited – Distribution Rates for 2013
OEB File No. EB-2011-0210
TransCanada PipeLines Limited (TransCanada)
Revisions to Interrogatory Responses

TransCanada has identified minor errors in its interrogatory responses filed with the Board yesterday that it seeks to correct.

In the response to Union-TCPL 6, TransCanada referred to seven presentations. This number is not correct and comes from TransCanada's response to a similar information request made in the context of current NEB proceeding RH-003-2011. Only one of the seven presentations identified in the RH-003-2011 proceeding pertained to the conversion of Mainline facilities to oil service. TransCanada has accordingly updated the response to Union-TCPL 6 to refer to one, rather than seven presentations.

TransCanada is also providing a corrected version of the response to Union-TCPL 5 to reflect the removal of drafting notes that were inadvertently included.

Sincerely,
TransCanada PipeLines Limited
