### **Independent Electricity System Operator Applies To OEB for Smart Meter Charge**

Independent Electricity System Operator, in its capacity as the Smart Metering Entity, Smart Metering Charge, Board File Number EB-2012-0100/EB-2012-0211: Niagara Peninsula Energy is providing notice to its customers of the Notice of Application and Notice of Proceeding in the above noted matter.

“In its role as the Smart Metering Entity (“SME”), the Independent Electricity System Operator (“IESO”) is managing the development of the meter data management/repository (“MDM/R”) to collect, manage, store and retrieve information related to the metering of customers’ use of electricity in Ontario.

The Ontario Energy Board (OEB) has issued a Notice of Application in response to the IESO’s application, in its capacity as the Smart Metering Entity, for a Smart Metering Charge (SMC) of \$0.806 per Residential and General Service <50KW Customer per month. The Ontario Energy Board (OEB) has also issued a Notice of Proceeding to determine the appropriate allocation and recovery of the SMC.
