RE: EB-2011-0354 EGD REBASING – ISSUES LIST

The Federation of Rental-housing Providers of Ontario (FRPO) has participated in the review and discussions regarding the Draft Issues list with Enbridge Gas Distribution (EGD) at the Issues Conference on June 4, 2012. As a result of these discussions, Board staff produced a revised Issues List on June 5, 2012.

Through discussions with our intervenor colleagues, we submit that a further refinement would be helpful. We had previewed the comments being submitted by the School Energy Coalition (SEC) and fully support and adopt their submissions.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
