DECISION AND ORDER ON COST AWARDS
June 7, 2012

Background

Brantford Power Inc. ("Brantford Power"), a licensed distributor of electricity, filed an application with the Ontario Energy Board (the "Board") on November 10, 2011 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Brantford Power charges for electricity distribution, to be effective May 1, 2012. The Board assigned the application file number EB-2011-0147.

The Vulnerable Energy Consumers Coalition ("VECC") was granted intervenor status and cost award eligibility in regards to Brantford Power's request for lost revenue adjustment mechanism recovery.

The Board issued its Decision and Order on the application on April 19, 2012, in which it set out the process for VECC to file its cost claims and to respond to any objections raised by Brantford Power.

VECC's cost claim was received by the Board on May 24, 2012 and is accepted by the Board notwithstanding the late filing. No comments were received from Brantford Power.

The Board has reviewed VECC's cost claim and finds that VECC is eligible for 100% of its reasonably incurred costs of participating in this proceeding. The Board finds that VECC's claim is reasonable and Brantford Power shall reimburse VECC for its costs.

THE BOARD THEREFORE ORDERS THAT:

1. Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, Brantford Power shall immediately pay the Vulnerable Energy Consumers Coalition the sum of \$631.44.
2. Pursuant to section 30 of the *Ontario Energy Board Act, 1998*, Brantford Power shall pay the Board's costs of and incidental to, this proceeding immediately upon receipt of the Board's invoice.

DATED at Toronto, June 7, 2012.
