Dear Ms. Walli:

**Re: Hydro One Networks Inc.
Application for Leave to Construct Transmission Facilities between Lambton TS and
Longwood TS
Board File No. EB-2012-0082**

We are writing to advise the Ontario Energy Board that we were retained by the Chippewas of the Thames First Nation in this matter on an urgent basis this afternoon. We understand that the Board has granted the Chippewas of the Thames observer status in this matter. Our client has retained us to seek intervener status in this proceeding on their behalf.

We have not yet had the opportunity to meet with our client and we will not likely have the opportunity to do so before Tuesday, June 12, 2012. Chief Miskokomon is currently out of town and likely cannot be reached until then. We anticipate receiving instructions from our client on Tuesday and will endeavour to send the Board further correspondence and materials at that time.

In the interim, we kindly request that all materials and communications be sent to our office to the attention of Scott A. Smith by e-mail, scott.smith@gowlings.com, or by fax at 416-862-7661.

Yours sincerely,

GOWLING LAFLEUR HENDERSON LLP

Scott A. Smith
