

EB-2007-0697

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Horizon
Utilities Corporation for an order approving or fixing just
and reasonable rates and other charges for the distribution
of electricity to be effective May 1, 2008.

PROCEDURAL ORDER NO. 3

Horizon Utilities Corporation ("Horizon") filed an application with the Ontario Energy Board (the "Board"), received on October 22, 2007, under section 78 of the *Ontario Energy Board Act, 1998*, seeking approval for changes to the rates that it charges for electricity distribution, to be effective May 1, 2008. The Board has assigned the application file number EB-2007-0697. The Board issued a Notice of Application and Hearing dated November 5, 2007. On December 4, 2007 the Board issued Procedural Order No. 1 which set out the dates for filing of interrogatories, responses to interrogatories and submissions. The Procedural Order also confirmed the Board's decision to dispose of this application by way of a written hearing.

On February 15, 2008 the Board issued Procedural Order No. 2 which set out the dates for a settlement conference. The Board convened a settlement conference starting February 25 continuing until February 27, 2008 with the objective of reaching a settlement among the parties on the issues.

Horizon attended the ADR on February 26, 2008 and advised parties that they required more time to respond to information requests and prepare for the negotiation. All parties agreed that in the best interest of attempting to reach a negotiated settlement it was reasonable for Horizon to be given additional time to prepare for the settlement conference. The parties recommended to the Board by

way of letter dated March 4, 2008 to reconvene a settlement conference from March 18 to March 20, 2008.

The Board has considered the request of all parties and agrees to reconvene a settlement conference on the proposed dates. The Board expects that any unsettled issues arising from the settlement conference will be dealt with by way of written submissions. However, the Board may convene an oral proceeding if it determines that further testing of the evidence is required.

Therefore, the Board considers it necessary to make provision for the following procedural matters. Please be aware that this procedural order may be amended, and further procedural orders may be issued from time to time.

THE BOARD ORDERS THAT:
