

BOARD STAFF QUESTIONS
NRG QRAM Application EB-2012-0262

In the Board's Decision and Order in Phase 2 of EB-2010-0018 dated May 17, 2012, the Board allowed NRG to purchase a maximum annual quantity of 1.0 million cubic meters of natural gas at the rate of \$8.486 from NRG Corp. Please provide the pro-rated quantity that NRG will be buying at this rate for the current fiscal year ending September 30, 2012. In that context, please also provide the quantities on a monthly basis.
