Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc.
EB-2012-0033 Application for 2013 and 2014 Distribution Rates
Confidential Filing – Working Capital Requirement**

On April 27, 2012 Enersource filed its application and evidence for rates. Included in that evidence was a redacted version of the Working Capital Requirement found at Exhibit 2, Tab 1, Schedule 4, Appendix 1. On May 23, 2012 Enersource filed with the Board the un-redacted version. In the interim, prior to the Board's determination on the matter, Enersource will release the confidential version of the report to those intervenors who have signed and filed with the Board the Form of Declaration and Undertaking with a copy to Enersource.

Sincerely,

(Original signed by)
