**Re: Chapleau Public Utilities Corporation - Board Staff Interrogatories 2012 Rate
Rebasing Application EB-2011-0322**

Dear Ms. Walli:

Chapleau Public Utilities Corporation (CPUC) hereby submits its responses to Board Staff Interrogatories for the 2012 Rebasing Application all in accordance with the Ontario Energy Boards directives and guidelines.

Enclosed with this letter are two (2) hard copies of all documents and exhibits used to respond to Board Staff Interrogatories. Electronic versions of these documents are also being submitted through the Boards e-Filing Services (RESS).

These documents are filed on behalf of Chapleau Public Utilities Corporation.

However, with the enormous amount of detail required to respond to all interrogatories, CPUC is unable to complete its response to the interrogatories from VECC. We ask the Board's indulgence in this regard and would be most appreciative if the OEB grant an extension until no later than the close of business on Monday June 25, 2012.

If you require additional information please do not hesitate to contact me at 416-293-0235.

Sincerely,

Peter Ioannou

Enclosure
