

**EB-2012-0044**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O.1998, c.15, Schedule B;

**AND IN THE MATTER OF** an application by Active Energy Corp. to renew Gas Marketer Licence GM-2007-0078.

By delegation, before: Jennifer Lea

### **DECISION AND ORDER**

**June 20, 2012**

The Ontario Energy Board received an application to renew Gas Marketer Licence GM-2007-0078 from Active Energy Corp. on February 1, 2012. Active filed supplementary information and the application was completed on March 5, 2012. The Board has assigned the application file number EB- 2012-0044.

The licence that is the subject of the renewal application was issued to the applicant on June 22, 2007 and remains in force until June 21, 2012. The licence provides that the term may be extended by the Board.

Because the current licence will expire prior to final determination of the renewal application, and because the applicant wishes to continue to market gas to its customers in Ontario, the applicant requested that the term of licence GM-2007-0078 be extended until the Board makes a final decision with respect to the renewal application.

Considering the applicant's need for a licence to continue its gas marketing activities in Ontario, I find that it is in the public interest to make an order extending the term of licence GM-2007-0078 until such time as the renewal application is determined or September 21, 2012, whichever is earlier. The applicant is reminded that this decision does not constitute a final decision on the application.

**IT IS THEREFORE ORDERED THAT:**

The term of the gas marketer licence GM-2007-0078 is extended until the final determination of the renewal application or September 21, 2012 whichever is earlier.
