Dear Ms. Walli:

Board File No. EB-2012-0033

**Enersource Hydro Mississauga Inc. – 2013 & 2014 Cost of Service Application
Confidential Treatment of the Working Capital Requirement Report
Submissions of Energy Probe**

Pursuant to Procedural Order No. 1, issued on June 14, 2012, this letter constitutes the submissions of Energy Probe Research Foundation (Energy Probe) for the Board's consideration in respect of the request by the Applicant for confidential treatment of the Working Capital Requirement report.

Based on a review of the material by its consultant, Mr. Aiken, Energy Probe submits that it can discover no justification for according this report confidential treatment. No other Ontario local electricity distribution company (LDC) has requested confidential treatment for a similar report; the Applicant is able to review the reports of other LDCs as they are on the public record. Energy Probe submits that the material be placed on the public record.

Energy Probe has reviewed the submissions of the School Energy Coalition (SEC) in their letter to the Board filed earlier today and is in agreement with the SEC comments.
